Tuesday June 5, 2012

Tate-Turner-Kuralt Auditorium

School of Social Work, UNC-Chapel Hill

Preregister at minority.unc.edu

Ronny A. Bell, PhD, MS, is Professor in the Division of Public Health Sciences, Department of Epidemiology and Prevention, at Wake Forest School of Medicine, with training in nutrition and epidemiology. Dr. Bell's primary research interests are chronic disease prevalence, risk factors, and prevention, with particular emphasis on ethnic minority populations.

Dr. Bell is an enrolled member of the Lumbee Indian tribe. Dr. Bell received his undergraduate degree in Public Health Nutrition from the University of North Carolina at Chapel Hill, his doctorate degree in nutrition from the University of North Carolina at Greensboro and his Master's degree in Epidemiology and post-doctoral training in Gerontology from the Wake Forest School of Medicine.
