at Chapel Hill**

DATE: Friday, February 22, 1980

TIME: 8:00am to 5:30pm

PLACE: Rosenau Building
School of Public Health
University of North Carolina
Chapel Hill, N.C.

CONFERENCE GOALS:

The conference will provide an overview of current health problems of minorities in the areas of:

-CARDIOVASCULAR DISEASE

-CANCER

-ALCOHOLISM

-VIOLENT DEATHS

FORMAT:

The conference will include a major address and panel presentations by invited speakers. Each presentation will be introduced in a plenary session. Workshops will allow participants to meet in small groups. The initial presentations in each workshop will serve as a model to facilitate discussion of the problems and possible solutions in each area. Registrants will be able to attend two of the four workshops.
